**Rules and Regulations for the
Sterling Woods Master Association, Inc.**

The initially capitalized terms used herein are defined in Article I of the Master Declaration of Sterling Woods. The following Rules and Regulations apply to all owners and occupants of Residential Units (hereinafter "Units") within Sterling Woods.

PREFACE

These are the revised Rules and Regulations of the Sterling Woods Master Association, Inc. These Rules supersede the Master Rules and Regulations dated May 15, 2002 and all other prior versions of such rules. However, in the event that the laws of the State of Connecticut, the City of Danbury and the provisions of the Master Declaration, the Articles of Incorporation, the Master Bylaws and the Public Offering Statement come into conflict with these Rules, such a conflict shall be resolved against these Rules. These Rules apply to all residents and Unit Owners within Sterling Woods, and equally to their tenants and their guests. Any complaint concerning the management of the Master Association, or the action of a Unit Owner or resident shall be made in writing to the Master Board in care of the managing agent. The Master Board will review complaints in regard to these Rules and may issue warnings and assess fines as required to those who have been found to be in violation thereof. These Rules are made and intended to provide each and every Unit Owner and resident the comfort, peace and security which they are entitled to enjoy. Some Unit Owners may not agree with every rule, but each is designed to benefit the majority of the Unit Owners and residents of Sterling Woods. Regardless of any personal opinion, all Rules herein are binding upon all Unit Owners and residents of Sterling Woods. They may be altered by following the procedures as outlined in the Master Declaration and the relevant Connecticut General Statutes.

Please address all correspondence in care of the managing agent:

Section 3.1 Exterior Displays. No Unit Owner, tenant, or other occupant of a Unit may place any sunscreen, blind, storm shutter, screen door, awning or clothing, bedding, towels, rugs, decorative flags, or other similar items on any Unit or Limited Common Element, without securing the written approval of the Master Board before installation. Section 3.2 Electronic Devices. No Unit Owner, tenant, or other occupant of a Unit may erect, construct, or maintain any wire devices, antennas or other equipment, or structures, on the exterior of the Unit or on, or in, any Limited Common Areas or on the Common Elements, except by written consent of the Master Board prior to installation.

Section 3.3 Kerosene Heaters. No kerosene heaters may be used within Units.

Section 3.4 Gas Grills. Operating a barbecue grill in a garage is prohibited. No charcoal grills are permitted within Sterling Woods. Gas grills must meet City of Danbury fire code provisions.

Section 3.5 Storage. Decks and porches should not be cluttered with personal items. No toys, bicycles, sports equipment or the like may be stored on Limited Common Elements at anytime.

Section 3.6 Satellite Dish Antenna. Only one satellite dish antenna per unit, not to exceed one meter (39.37”) in diameter, is to be professionally installed by Unit Owners after submitting a Satellite Dish Authorization Form and receiving a confirmation letter of receipt by the Master Board. (See Satellite Dish Authorization Form attached as Appendix A). Satellite dish Unit Owners will be held solely responsible for any and all damage to Unit(s), common and/or limited common areas resulting from the installation, maintenance, use or removal of said satellite. Owner(s) acknowledge that the Master Board shall be entitled and authorized to repair any such damage and the Master Board shall charge any expenses associated with the repair of said damage to the Owner(s)' Unit account.

Section 3.7 Enforcement. Offenders identified to the satisfaction of the Master Board as vandals of the Limited Common Elements and/or the parents/guardians (unit owners) of minors will be dealt with firmly and may be prosecuted as vandals. Compensation will be sought from the offenders, as well as fines imposed on the Unit Owner, tenant, or other occupant of the Unit. Fines imposed will be the maximum allowed by law.

Section 3.8 Water Spigots/Usage. Unit owners may install a water spigot at Unit Owner expense, in the interior of the garage only. Water may be used to water exterior foundation plantings and grass surrounding and/or adjacent to the Unit. Water may also be used to wash vehicles. (The Birches Village Units are exempted from this section).

Section 3.9 Appearance. All Unit Owners, tenants, and other occupants of a Unit are required to keep and maintain their porches and decks clean, neat and free of clutter. No toys, bicycles, sports equipment, sporting apparatus, children's swing sets, or like items may be stored on decks and patios.

ARTICLE IV Insurance

Section 4.1 Increase in Rating. Nothing shall be done or kept which will increase the rate of insurance on any of the Association's insured Limited Common or Common Elements, Units, or contents thereof, without the prior consent of the Master Board. No Unit Owner shall permit anything to be done, or kept, on the Property which will result in the cancellation of insurance coverage on any of the Units, or contents thereof, or which would be in violation of any law.

Section 4.2 Rules of Insurance. Unit Owners, tenants and occupants shall comply with the rules and regulations of all applicable fire rating associations and as contained in any fire liability insurance policy providing coverage for the Property.

Section 4.3 Reports. Damage by fire, or an accident affecting the Property, and the person(s) injured by, or responsible for, any damage, fire or accident must be promptly reported by any person having knowledge thereof, to the managing agent, or to a Master Board member.

Section 4.4 Smoke Detectors. Smoke detectors must be installed and maintained in every Unit in accordance with applicable State of Connecticut building regulations.

ARTICLE V Rubbish Removal

Section 5.1 Refuse. All refuse must be bagged, tied shut and deposited in a refuse container with a tight-fitting lid not to exceed 64 gallons in size and placed at curbside for pickup either after dark on the night before pickup, or on the same day as pickup. No more than two approved refuse containers are allowed. Separate tied plastic trash bags should only be used when the two approved refuse containers are full. If separate tied plastic trash bags are left out and are ripped open, your Unit will be sent a bill for any necessary clean up. Recycled refuse, excluding newspaper and cardboard are to be separated, placed in clear or blue plastic garbage bags or an approved recycling container and placed at curbside on the designated day for pickup. Cardboard must be knocked down, and newspaper tied into a bundle, before being placed at curbside for pickup. All refuse containers must be removed and brought inside your Unit the same day as the pickup.

Section 5.2 Hazardous Waste. Chemicals, or any hazardous waste (e.g., motor oil, antifreeze, paint, etc.), shall not be put in any refuse container for pickup, nor poured down any drain on the Property. All other items (e.g., appliances, furniture, etc.) should be taken to the City of Danbury's Recycling Facility by the Unit Owner, or resident, or arrangements made with a private trash company to pick up same.

Section 5.3 Trash. No garbage container shall be stored outside a Unit. No accumulation of rubbish, debris or unsightly materials is permitted. All trash must be stored and placed for collection in an approved container and covered with a tight-fitting lid. Trash containers should not exceed 64 gallons in size.

ARTICLE VI Motor Vehicles

Section 6.1 Compliance with the Laws. All persons must comply with the Connecticut State Department of Motor Vehicle Regulations, and all applicable local ordinances, while on the Sterling Woods Property.

Section 6.2 Speed Limit. The speed limit within Sterling Woods is 15 miles per hour. Speed limit and stop signs must be obeyed. Please drive on the right side of the roadway.

Section 6.3 Limitation on Types of Vehicles. No vehicles of any kind, other than licensed automobiles, licensed motorcycles, and licensed trucks designated as DOT GVWR Class 1 (6000 lbs. or less), Class 2 (6001-10,000 lbs.) or 2B (8500–10,000 lbs.) may be parked on any part of the exterior of any Unit, Common or Limited Common Element. Prohibited are such vehicles as campers, trailers, boats, vehicles with more than four wheels, trucks designated DOT GVWR Class 3 (10,001-14,000 lbs.) or larger, any off-road vehicle including All Terrain Vehicles (ATV), snowmobiles, vehicles equipped with racks for carrying ladders, pipes, glass, etc. Such vehicles may, however, be kept in garages with the door closed provided that you do not require any additional parking spaces other than the one allocated on the driveway in front of your Unit. Provided, however, that pickup trucks and licensed commercial vehicles may be parked outside of an enclosed garage, for a limited time, in connection with the delivery of merchandise to, or the performance of service at, any Unit.

Section 6.4 No Parking Areas. In all villages, except the Birches, only one car is allowed to park in the driveway. In all villages, no on-street parking is permitted except for temporary loading and unloading. No vehicles may be parked in any area other than designated parking and parked in such a manner as to block access to fire hydrants, sidewalks, pedestrian crossing areas, designated fire lanes, or emergency access ways or to restrict clear two-lane passage by vehicles, nor shall they be parked in any other Unit's assigned parking space(s). Vehicles in violation may be towed at unit owner expense after reasonable effort to contact the owner has been made.

Section 6.5 Prohibited Vehicles. Vehicles that display a trademark, business logo, for sale sign, or any advertising message shall not park overnight on any of the Common or Limited Common Elements, except those vehicles which are temporarily on the Property for the purpose of serving the Property itself, or one of the Units thereon.

Section 6.6 Unregistered Vehicles. Unregistered vehicles parked on the Common or Limited Common Elements for more than 24 hours must be removed from the property until legally registered. Operating unregistered vehicles including mopeds, off road vehicles and motor bikes on the roadways, or on the Common Elements of Sterling Woods is prohibited. Unregistered vehicles will be tagged by the City of Danbury police department and then towed at the owner's expense.

Section 6.7 Vehicle Operators. All vehicles on the roadways within Sterling Woods must be operated by licensed drivers. Persons with learning permits are not considered licensed drivers but are permitted to operate a motor vehicle when accompanied by any driver who is in compliance with the Connecticut motor vehicle laws.

Section 6.8 Repairs. No vehicle repairs are permitted.

Section 6.9 Visitor Parking. In all villages except the Birches, there are two primary parking spaces for each Unit, which includes an interior or attached garage space and a driveway space. However, in the Birches Village there are at least four parking spaces, two inside the garage space and two possibly four in the driveway space. These parking spaces are referred to as your “primary parking” spaces. Visitor parking spaces may be used under the following conditions when all the Unit Owner’s primary parking spots are occupied: (i) by a visitor of a Unit Owner for up to 72 hours; or (ii) by a Unit Owner for up to 72 hours and only if the resident has a visitor who is parked in at least one of the resident’s primary parking spaces. If a visitor is staying longer than 72 hours, and/or the visitor parking spaces are full, additional parking is available in the Overflow Parking Areas described in Section 6.10 below.

Section 6.10 Overflow Parking Areas. These parking spaces may be used only under one of the following conditions, when the Unit Owners two primary parking spaces are occupied:

- (i) by the Unit Owners who own three vehicles registered to the Unit Owners’ address as described in Section 6.12 below, and
- (ii) by visitors of Unit Owners.

Parking has been designated by areas and not on a per space basis. Consequently, moving a vehicle from one space to another within an area means that you are still parked in that area. The Overflow Parking Areas are located in the area entering Bradford Drive and the first two parking spaces on Cypress Drive. (Additional restrictions for Overflow parking are outlined in Appendix D.)

Section 6.11 Restricted Parking. The use of the visitor parking areas and/or any roadway as additional parking space is prohibited. All parking regulations will be strictly enforced. One warning may be issued followed by a fine, or towing, or both. The Master Board, or any of its individual Directors have the Master Board’s pre-approval to remove vehicles with no prior notice for emergency purposes.

Section 6.12 Number of Vehicles Per Unit. In all villages except the Birches, only two registered motor vehicles per Unit are allowed to be parked on the Sterling Woods Property. Any Unit Owner desiring the use of the Sterling Woods Overflow Parking Area to park one additional vehicle must request permission in writing from the Master Board. Permission will be granted, or denied, based upon the parking limitations at that time. Permission will never be granted to a unit owner in the Birches since they have adequate space in their garage and on their driveway for a third car. See the attached Overflow Parking Policy (Appendix D) for more details.

Section 6.13 Vehicle Identification. Unit owners are required to provide accurate vehicle identification information for all cars and trucks that are housed on the community's property. Identification information includes year, make, model, color, and vehicle license number. This information must be provided to the property manager upon request. It should be updated or verified at least annually. Unit owners are responsible for providing the information for any leasers. Failure to provide accurate information in a timely manner will be subject to an initial fine. Continued failure to provide the information will be subject to further fines.

ARTICLE VII
General Administrative Rules

Section 7.1 Consent in Writing. Any consent or approval required by these Rules must be obtained in writing and may be revoked at any time by resolution of the Master Board, subject to Notice and Comment, or Notice and Hearing at the option of the Master Board.

Section 7.2 Complaints. Any formal complaint regarding the management of the Property, or the actions of other Unit Owners, tenants, or residents shall be made in writing to the Master Board, or to an appropriate committee thereof.

Section 7.3 Renting. Unit Owners renting their Units are required to pass on to their tenants all Rules, Regulations, important information, and Association correspondence. Unit Owners are responsible for all fines levied against their Unit(s).

Section 7.4 Tag Sales. Tag sales and garage sales are not permitted without the prior written consent of the Master Board. A written request to the Master Board is required prior to the scheduled sale and written approval must be received. A Unit Owner is permitted to have only one tag sale per year and the sale can be no longer than a Friday through a Sunday (three days).

Section 7.5 Common Expenses. Master and Village Common Expenses are due on the first of each month. Payments received after the tenth of the month will be subject to a late charge as specified in the Sterling Woods Resolution Concerning Late Charges and Interest (Appendix E).

ARTICLE VIII
Pets

Section 8.1 Household Pets. Each Unit Owner may keep one (1) dog, which shall not act in a way, which creates a nuisance for other Unit Owners, or tenants. Each Unit Owner may also keep one (1) cat or, if they have no dog, two (2) cats. Subject to the other provisions of this Rule, Owners may also keep caged birds and tropical fish. No animals, birds, or reptiles of any kind may be raised, bred, or kept within Sterling Woods, or brought on to the Master Common Elements, unless approved in writing by the Master Board. Pets may not be kept, bred or maintained for any commercial purpose. Cats are not allowed to wander unsupervised on Master Common Elements or Limited Common Elements other than your own. Dogs are not permitted in any portion of the Master Common Elements or Limited Common Elements unless carried or on a leash; no dogs or cats will be curbed close to any unit's patio or front grass area except in the street, or special areas designated by the Master Board. The Unit Owner will compensate any person hurt or bitten by any dog, and the Unit Owner will hold the Master Association and Village Association harmless from any claim resulting from any action of his pet whatsoever. Guiding Eye dogs will be permitted for those persons holding certificates of blindness and necessity, as well as Hearing Ear dogs.

Section 8.2 Pet Nuisance. Any pet causing or creating a nuisance, or unreasonable disturbance, or noise, will be permanently removed from the Property upon three (3) days' written Notice and Hearing from the Master Board. Pets shall not cause or create a nuisance, unreasonable levels of noise, or a disturbance. Repeated complaints from several Unit Owners located in Units, adjoining and/or adjacent to the pet's location, shall constitute unreasonable behavior.

Section 8.3 Repairs. Pet owners are responsible for the cost of any repair and/or additional maintenance required because of damage caused by their pets to lawns, shrubs, trees, etc.

Section 8.4 Leashes. All pets must be hand leashed. Pets are never to be tied up outside unattended, left on porches or decks, or left to roam on their own.

Section 8.5 Clean Up. All pet owners or attendants are responsible to immediately pick up after their pet and properly dispose of the waste.

ARTICLE IX

Actions of Owners and Occupants

Section 9.1 Annoyance and Nuisance. No noxious, offensive, dangerous or unsafe activity may be carried on in any Unit, Limited Common Element, or the Common Elements, nor shall anything be done therein, either willfully or negligently, which may be, or become, an annoyance or nuisance to other Unit Owners, tenants or occupants. No Unit Owner, tenant or occupant may make, or permit to be made (by him or herself, their children, his or her servants, employees, agents, visitors, licensees and pets), any disturbing noises, nor do or permit such persons to do anything that will interfere with the rights, comforts or convenience of other Unit Owners, tenants, or occupants. All Unit Owners, tenants and other occupants must exercise extreme care not to make noise, including automobile related noise, or the use of musical instruments, radios, television, and amplifiers that may tend to disturb other occupants of Sterling Woods.

Section 9.2 Compliance with Laws. No offensive, or unlawful, use may be made of the Property. Unit Owners shall comply with and conform to all applicable laws and regulations of the United States and the State of Connecticut, as well as all ordinances, rules and regulations of the City of Danbury. Any violating Unit Owner shall hold the Master Association, the Village Associations and other Unit Owners harmless from all fines, penalties, and the cost of prosecution for the violation, or noncompliance herewith.

Section 9.3 Indemnification from Actions of Others. Unit Owners shall hold the Master and Village Associations and other Unit Owners, harmless for their actions, as well as those of their tenants, guests, servants, employees, agents, invitees, licensees, children and pets.

Section 9.4 Employees of the Managing Agent. No Unit Owner shall utilize the services of any employee of the managing agent, or any contractors which they may employ, for any private business of the Unit Owner, nor shall they be used for the individual benefit of any Unit Owner, unless in the pursuit of the mutual benefit of all Unit Owners, or pursuant to the provision of special services for a fee.

Section 9.5 Water Usage. No Unit Owner shall allow unreasonable or excessive use of water. Unit Owners shall conserve water by the use of water-saving devices for all plumbing fixtures to the extent that such devices are commercially available. No Unit Owner shall allow the unreasonable or excessive use of water provided by interior plumbing fixtures outside of any Unit, or on the Master or Village Common Elements.

Section 9.6 Alternate Dispute Resolution. Pursuant to Section 47-244 (a) (18) of the Act, the Master Board requires that disputes between the Master Board and any Unit Owner, OTHER THAN DISPUTES WITH RESPECT TO NON-PAYMENT OF COMMON EXPENSE ASSESSMENTS, or between any two Unit Owners, regarding any aspect of the Master

Community and/or any Village within the Master Community, must be submitted to non-binding alternative dispute resolution in accordance with this regulation as a prerequisite to commencement of a judicial proceeding.

The Procedures to be used are as follows:

First, any person who intends to or is required to use the procedures of this regulation (the “Applicant”) must notify the Association and any other person involved in the dispute, in writing, that the Applicant is using the dispute resolution procedures of the Sterling Woods Master Association, Inc.’s Rules.

The notice should also contain a concise statement of the subject of the dispute.

Second, the President of the Master Board, or the President’s designate, (in either case, the “Association’s Representative”) must promptly meet with the Applicant. If the Applicant’s dispute is with the Master Association, or the President, the Association’s Representative should be, if practical, a Director, property manager, or other Unit Owner who is not directly involved in the subject matter of the dispute. If the dispute is not with the Master Association, the Master Association’s Representative should also ask to meet with the other parties to the dispute, either with the Applicant, or separately.

Third, at the first meeting, and at any subsequent meetings which all the parties feel may be helpful, the Applicant, the Master Association’s Representative and any other parties to the dispute may first seek to satisfactorily (if not amicably) resolve the matter, without any further proceedings.

Fourth, if a satisfactory resolution under the third step is not feasible, the Master Association’s Representative should seek to identify an additional procedure for resolution of the dispute. The procedure should be, if possible, one that is mutually satisfactory to all parties to the dispute. However, at a minimum, the Master Association’s Representative may require, in the sole discretion of the Association’s Representative, that the Applicant and the other parties to the dispute participate in either, but not both, of the following procedures, before any lawsuit may be filed:

(i) individual mediation: The Master Association’s Representative may retain, at the Master Association’s expense (if any expenses are incurred), an individual or organization who either on a volunteer or compensated basis, is willing and able to serve as a neutral third party to attempt to mediate the dispute. Unless the parties to the dispute agree on the identity of the mediator, the mediator should be a person who is either a Unit Owner, or the property manager for Sterling Woods.

(ii) panel mediation: Alternatively, the Master Association’s Representative may choose panel mediation. In that case, the Applicant should pick a mediator of his choosing, and the Master Association’s Representative (if the Master Association is the party to the dispute) or, otherwise, the other party, or parties, to the dispute, shall themselves each select their own mediator, and those mediators shall attempt to select an additional mediator.

The costs of panel mediation shall be paid in equal shares by the parties to the mediation, so long as the cost of the first meeting to any one party does not exceed \$100.00.

Fifth, regardless of the form of mediation selected, the first mediation meeting under the fourth step should occur no later than fifteen (15) calendar days after the meeting which occurs as result of the third step. Neither the Applicant nor any other party shall be required to attend more than one meeting with the mediator(s). The mediators selected should try and use all reasonable efforts to resolve the dispute by voluntary means, including any additional meetings, which are acceptable to the parties.

Finally, if the dispute cannot be resolved under the foregoing procedures, the Applicant shall be free to pursue any legal recourse available.

ARTICLE X General Recreation Rules

Section 10.1 Limited to Occupants and Guests. Passive recreational facilities, the clubhouse, pool, open space and woodlands within the Common Elements are limited to the use of Unit Owners, their tenants and invited guests. The Unit Owner or Resident must accompany guests when using any club house facilities. All facilities are used at the risk and responsibility of the user, and each Unit Owner and invited guest(s) shall hold the Master and Village Associations harmless from damage or liability claims by virtue of such use.

Section 10.2 Ejection for Violation. ARTICLE XV
Sterling Woods Master Association, Inc.
Association Collection Policy

1. It is the responsibility of each Unit Owner to pay all common expense assessments, special assessments, fines and other charges imposed upon the Unit when such expenses and charges are due. The Association does not operate for profit and when one or more Unit Owners do not pay charges when they are due, the burden must be assumed by the other Unit Owners. For this reason, the Association will aggressively pursue collection activities when there is a delinquent Unit Owner account. The law does not require the Association to send monthly statements or any other notice when charges are due, except in situations where there is a change in the amount of the monthly charges. Association mailings of statements, overdue statements or management company collection letters are a matter of convenience only. There is no legal requirement to send such notices and the failure of the Association to send such notices and/or the non-receipt of such notices by a Unit Owner does not constitute a legal defense to paying such charges when charges are due. It is the responsibility of each Unit Owner to contact the Association with any questions as to amounts owed on a Unit account.
2. Unless otherwise notified in writing by the Association, all common expense assessments and special assessments shall be due by the first of each month.
3. If a Unit account is not fully current by the 10th day of each month, the Unit account will be considered delinquent. The Unit Owner will be assessed late fees, collection costs, and attorney's fees and costs as follows: (A) a late payment penalty of 35.00 per month for each month that the Unit account remains delinquent; and (B) attorney's fees and costs incurred in attempting to collect the outstanding amounts due to the Association. The late charge will be imposed after the 10th day of the month each month that there is any amount unpaid on a Unit account.
4. If a payment is made which fails to bring the Unit Owner's delinquent account current and if such payment is thereafter accepted, unless the Unit Owner and the Association enter into an agreement providing for the payment to be applied in a different manner, the sums will be applied in the following order of priority: All amounts received from a unit owner shall be applied first to the oldest open charge on the respective unit owner ledger. This section shall not be construed to require the Association to accept payments of less than the amount required to bring the account current.
5. The Association or its property manager, on behalf of the association may, but shall not be required to, send statements for the Unit Owner's account to the Unit Owner and/or collection letter(s) to the Unit Owner when charges become delinquent.
6. The Association or its property manager, on behalf of the association is authorized to turn over a delinquent Unit Owner's account to the Association's attorney for legal collection proceedings when the amount unpaid on the Unit Owner account is greater than two (2) months of common expense assessments based on the periodic budget last adopted by the Association.
7. Pursuant to the requirements of Connecticut and federal law, the Association's attorney shall make a written demand for payment of the delinquent Unit Owner account to the delinquent Unit Owner. The written demand shall provide for not less than thirty (30) or not less than sixty (60) days' notice prior to the commencement of collection or foreclosure proceedings. The Association's attorney will have the discretion to determine whether a written demand providing

for not less than thirty (30) days' notice and/or a written demand providing for not less than sixty (60) days' notice is required, taking into account various factors, including, but not limited to: the amount of the delinquency existing on the Unit Owner's account; the existence of one or more holders of security interests against the Unit, the history of delinquency on the Unit Owner's account, including repeated payoffs by holders of a security interest against the Unit; abandonment of the Unit by the Unit Owner; or the filing of a Bankruptcy petition which effectively stays collection efforts and causes undue delay.

8. For purposes of the written demand providing for not less than sixty (60) days notice, the Association's attorney is authorized to perform a title search in furtherance of satisfying the requirements of Connecticut General Statutes Section 47-258(m). Pursuant to the requirements of Connecticut General Statutes § 47-258(m), as amended by Public Act 13-156, the Association's attorney will make a demand for payment in a record upon the Unit Owner and simultaneously provide a copy of such record to all holders of security interests described in Connecticut General Statutes § 47-258(b)(2), if any exist. The written notice to such holders of security interests shall set forth: (A) The amount of unpaid common expense assessments owed to the Association as of the date of the notice; (B) the amount of any attorney's fees and costs incurred by the Association in the enforcement of its lien as of the date of the notice; (C) a statement of the Association's intention to foreclose its lien if the amounts set forth in subparagraphs (A) and (B) are not paid to the Association within sixty days after the date on which the notice is provided; (D) the Association's contact information, including, but not limited to, (i) the name of the individual acting on behalf of the Association with respect to the matter, and (ii) the Association's mailing address, telephone number and electronic mail address, if any; and (E) instructions concerning the acceptable means of making payment on the amounts owing to the Association as set forth in subparagraphs (A) and (B). Any notice required to be given by the Association's attorney under this subsection shall be effective when sent.
9. If, following written demand from the Association's attorney, the Unit Owner's account has not been paid in full or a partial payment has been accepted and applied but there remains outstanding a sum equal to at least two (2) months of common expense assessments based on the periodic budget last adopted by the Association, the Association's attorney is authorized to commence collection or foreclosure proceedings against the Unit.
10. Notwithstanding any language contained within this Collection Policy to the contrary, a foreclosure of the statutory lien against a Unit shall be authorized by the Association's attorney as long as the statutory requirements of Connecticut General Statutes Section 47-258 have been met.
11. A Unit Owner with a delinquent account may propose a payment plan in writing to the Executive Board. Any such payment plan will be subject to approval by the Executive Board. There is no standard payment plan and there is no guaranty that any payment plan will be accepted by the Executive Board.
12. Under Connecticut law, the Association is given a limited super priority lien against a Unit for collection of unpaid charges. For this reason, it is the policy of the Association to aggressively pursue foreclosure and/or collection proceedings and to complete those proceedings as quickly as possible.
13. In some situations, a lienholder with an encumbrance on a Unit, other than the Association, may commence foreclosure proceedings against the Unit. In these cases, the Association's attorney must file an appearance in the action and monitor the action in order to protect the rights of the

Association and the Association's lien. The Association, through its attorney, is required to appear in these actions even in instances where there is no delinquent Unit Owner account balance. These actions bring with them the possibility of a transfer of title of the Unit and the Association must appear in the action to monitor at all times who the rightful title owner of the Unit is.

14. All charges, including, but not limited to, attorney's fees, management fees, court costs, title search charges, appraisal fees, marshal fees, court entry fees and any other charges and expenses associated with collection and/or foreclosure proceedings, including any fees and costs incurred in the defense of a lienholder's foreclosure action, shall be chargeable to the delinquent Unit Owner's account.
15. Where one written demand letter has already been sent out by the Association's attorney, the attorney may, but shall not be required to, send a follow-up demand letter reciting a deadline date for payment which is less than thirty (30) days.
16. To the extent that there is a conflict between this Collection Policy and the terms of any standard policy or procedure providing for collection or foreclosure against Unit Owners enacted or implemented by the Board of Directors, the property manager, or any other entity, the terms of this Collection Policy shall govern.

Upon receiving the Covid-19 vaccine from your health care provider, or an outside vaccination clinic, and upon entry to the Common Facilities, you will be required to provide documentation with location, date(s) and the vaccination received. For the Covid-19 vaccine, “fully vaccinated” means you have received two shots of Moderna or Pfizer, followed by a booster shot, or one shot of Johnson & Johnson, followed by a booster shot, or as otherwise prescribed by the CDC. Booster shots should be received within the timeframe recommended by the CDC for each vaccine. Vaccination exemption requests may be submitted to the management company and will be reviewed in accordance with the law. STERLING WOODS MASTER ASSOCIATION Platinum Club Rental Policy

Each Unit Owner renter or Unit Occupant renter, as the case may be, agrees to indemnify and hold the Association and the other Unit Owners at Sterling Woods harmless from any and all costs, claims or expenses arising because of any claim which may hereafter be presented by anyone for loss, damage or personal injury as a result of any activities which occur in connection with rental of the facilities described herein by the Unit Owner renter or Unit Occupant renter, as the case may be. Said indemnification shall include the reasonable attorney's fees and court costs incurred by the Association or other Sterling Woods Unit Owners in the defense of any such claim.

1. Description of Rental Facilities

The main floor consists of: a large party room with wall-to-wall carpeting, fireplace and television; a carpeted meeting room with table and chairs and an office (these are not included in the rental area); a card room; a kitchen with gas range, microwave, refrigerator, sink, and dishwasher; and restrooms.

The individual Village Associations or recreational clubs at Sterling Woods may use the Platinum Club main floor without charge for approved community functions. These include but are not limited to bridge clubs, knitting clubs, holiday parties or celebrations. These activities must be scheduled with the property manager and must comply with all rules pertaining to use of the Platinum Club.

Rental of the Clubhouse facilities does not include access to any other Platinum Club facilities such as exercise rooms, swimming pool, swimming pool area, or pool furniture. You may use the upper deck area outside only if it does not impede use by other Unit owners. Rental of the clubhouse for business or political purposes including, but not limited to sales demonstrations, advertising, solicitations, marketing of products or services, political campaigning or political candidate use, is not permitted.

*****Please note:** The remote control for the television is to be used by renters only. It should remain in the kitchen cabinet above the refrigerator when not in use. *You must put the remote control back in the cabinet after your party.* If the remote control is noticed as missing after your party, you will be subject to paying the replacement cost of the remote of \$65.00. This money will be deducted from your security deposit.

2. General Terms

- Renters (herein defined as Unit owner or Unit occupant *only*) are charged a nominal fee of \$100.00 to offset energy use, lavatory supplies, normal depreciation and general maintenance.
- In addition to the rental fee, owner/occupant renters are required to leave the facility in at least as good condition as existed prior to the rental. As partial insurance against possible damage or inadequate cleaning, the Association also requires each renter to post a \$250.00 deposit, all of which will be refunded if the premises are vacated in pre-rental condition. This deposit however, does not represent the renter's total liability. The renter must accept full responsibility for his/her guest's behavior throughout Sterling Woods II and must return the rental facilities to pre-rental condition. The renter is fully responsible for all costs, regardless of the amount, necessary to restore the rental facilities to at least as good a condition as existed prior to the rental. It is the renter's option to either clean the Clubhouse rental facilities themselves or have it cleaned by the firm that does the routine cleaning. If you elect to have the rental facilities cleaned by this firm you must submit a check as indicated in item 3 below.

During the rental period, the Board of Directors may further restrict the use of the facility, including immediate termination of usage, if it is being misused, abused or if there is a disturbance of the peace.

- Usage of the rental facility is limited to the purpose stated on the rental form, as is the number of guests.

3. Reservations, Payments, Refunds and Deadlines

4. The Hearing Panel will be chaired by the Vice President of the Master Board or another Master Board member. In the absence of a Master Board Member, the remaining Hearing Panel Members will select an alternative to chair the hearing.
5. It shall be the goal of the Hearing Panel to conduct the hearing in such a manner as to provide the Unit Owner due process. The hearings shall be conducted in an informal manner and the Hearing Panel shall have the discretion to adopt such informal procedural rules as it deems necessary and appropriate. The Hearing Panel may hear testimony and receive evidence from the Unit Owner and witnesses. In accepting such testimony and evidence, the Hearing Panel shall consider its reliability and relevance and shall be governed by a standard of reasonableness.
6. The Hearing Panel will make its decision in private with only the Hearing Panel Members in attendance and all results and discussions will remain confidential to the specific Hearing Panel and Master Board members.
7. The Hearing Panel will then issue a written recommendation to the Master Board which will be included in the next Board package. The Hearing Panel will give their written recommendation to the property manager the Thursday before the Board meeting.

Appendix D

Sterling Woods Master Association Overflow Parking Policy

1. Requests for permission must be in writing.
2. Permission will only be granted for a third car; never a fourth or more.
3. There are only 14 overflow parking spaces. There are 12 parking spaces on Bradford Drive and 2 parking spaces on Cypress Drive, therefore no more than 14 cars can have permission at any one time. Any subsequent requests will be placed on a waiting list until a space becomes available.
4. Permission can only be granted for up to 90 days at a time and less if warranted. At the end of the initial period, the unit owner must seek permission again. The Property Manager will notify the unit owner when their permit is about to expire.
5. The Property Manager will issue an Overflow Parking tag with expiration date which must be prominently displayed in the vehicle when it is parked in one of the overflow areas.
6. The overflow parking areas should be frequently monitored by the Property Manager and Board members. Any cars illegally parked there should be identified and promptly warned that they will be towed, fined, or both.
7. Permission will only be granted to units with three or more licensed residents. In other words, two residents in a unit cannot park a third car on the property under any circumstances.
8. Permission will be routinely granted (available space permitting) if the third licensed driver is working full time and/or is attending school locally and thus needs the car to commute to work and/or school.
9. Permission will be only granted for a limited period if the third licensed driver attends school outside the Danbury area and is a full-time resident only in the summer months. In other words, the third car can be parked in overflow (available space permitting) when the student is home for their summer break but once he/she returns to school, the car may not be parked in overflow.
10. Permission will never be granted to a unit owner in the Birches since they have adequate space in their garage and on their driveway for a third car.

STERLING WOODS MASTER ASSOCIATION, INC. Resolution of the Executive Board Adopting Maintenance, Repair and Replacement Standards

I. Statement of Facts.

- A. Sterling Woods ("Common Interest Community") was created by a declaration of Silversmith Heights, LLC, dated March 5, 1997, and recorded in the Danbury Land Records in Volume 1174 at Page 1003 ("Declaration").
- B. Sterling Woods Master Association, Inc. ("Master Association") is the association of Unit Owners of the Common Interest Community.
- C. Under Section 6.4 of the Declaration, the Unit Owners are responsible for the maintenance, repair and replacement of their Units.
- D. When certain objects, fixtures or components within the Units fail or malfunction, or when certain conditions exist within Units, they can cause significant damage to the Units containing them, to other Units, and to the Common Elements of the Common Interest Community.
- E. Failure to inspect, maintain or replace certain objects, fixtures or components, within the Units, or creating or maintaining certain conditions within Units, can result in higher insurance premiums being charged to the Master Association.
- F. The Master Association wishes to adopt standards for the maintenance, repair and replacement of Units, so as to avoid damage to Units and Common Elements and keep down insurance premiums.

II. Statement of Authority.

- A. Under Subsection 47-261b(a) of the Connecticut Common Interest Ownership Act ("Act") and Section 21.2 of the Declaration, the Executive Board of the Master Association has the power to adopt and amend rules, subject to providing Unit Owners with notice of the proposed rule and an opportunity to comment.
- B. Under Subsection 47-261b(f) of the Act, the Master Association may adopt rules to regulate any behavior in a Unit which adversely affects the use and enjoyment of other Units or the Common Elements.
- C. Under Subsection 47-257(e) of the Act, if any common expense is caused by the failure of a Unit Owner to comply with a written maintenance standard promulgated by the Master Association, then the Master Association may, after notice and hearing, assess the portion of that common expense in excess of any insurance proceeds received by the Association under its insurance policy, exclusively against that Owner's Unit.

III. Rule.

NOW THEREFORE IT IS RESOLVED:

- A. That the rules and regulations of the Master Association are hereby amended by adding the maintenance, repair and replacement standards attached hereto as Exhibit A.
- B. That the imposition of these maintenance, repair and replacement standards shall not relieve a Unit Owner of his or her obligations under Section 6.4 of the Declaration, including, but not limited to, the obligation to perform and pay for repairs, maintenance, and replacement.

Adopted by the Executive Board of the Master Association on January 19, 2011, after giving all unit owners notice and an opportunity to comment.

Policies

Sterling Woods Master Association, Inc.

Birdfeeder Policy

The Master Board has reviewed the use of birdfeeders in Sterling Woods in response to issues raised about 1) the mess caused by seeds and bird droppings which can be an annoyance to surrounding unit owners, 2) the animals that are attracted by the seed which falls to the ground leading to the invasion of units by mice or other rodents, and 3) the aesthetics of bird feeders hanging from trees and decks or scattered throughout the common areas.

The Master Association documents grant the authority to the Master Board to regulate and approve what may be placed on the common elements. In accordance with that authority, the Master Board has developed the following policy for the use of birdfeeders within the common elements:

- 1) Each unit is limited to one birdfeeder.
- 2) Birdfeeders may not be placed in the front of any unit.
- 3) Birdfeeders may not be hung from trees.
- 4) Birdfeeders must not impede the work of the landscaping service.
- 5) If a birdfeeder is hung from the rear deck, it must be centrally located to minimize the impact on adjoining units. End units will have more discretion.
- 6) Unit owners with birdfeeders must avoid creating a nuisance for their neighbors. If neighbors complain about excessive bird droppings, noise, and/ or damage, the unit owner may be asked to remove the birdfeeder.
- 7) Unit owners with birdfeeders are responsible for keeping their patio and deck areas free from bird feces.
- 8) If a unit owner with a birdfeeder encounters a rodent problem and asks for exterminating services, they will be asked to remove the birdfeeder.
- 9) If an adjoining unit of a unit with a birdfeeder encounters a rodent problem, the birdfeeder owner will be asked to remove the birdfeeder.
- 10) Lastly, placing food on the common elements to intentionally attract large birds or animals, such as turkeys is not allowed. Such actions create an annoyance and nuisance for surrounding owners and can also lead to a rodent problem. Owners doing this will be in violation of Rule 9.1 which bans actions that are an annoyance or nuisance to other unit owners.

Sterling Woods Master Association, Inc.

Extermination Services Policy

Issue

Under what circumstances does the Association provide extermination services?

Background

- 1) The Association is responsible for maintenance of the common and limited common elements in all villages except the Birches. That includes the attic and the space between the interior and exterior walls.
- 2) The Association's maintenance responsibility in the Birches is for the exterior surfaces and structural components of any structure built by the developer. The Association is not responsible for any interior part of the Birches buildings including the attic.

Guidelines

- 1) The removal of any pest on the exterior of a building including but not limited to bee and wasp nests is the Association's responsibility.
- 2) In the five villages, other than the Birches, the removal of any animal in a common or limited common area including but not limited to under the front steps, in the attic, or behind the interior walls is the Association's responsibility.
- 3) In the Birches, there is no responsibility to remove animals within the building. However, the Association is responsible for any repairs to the exterior surface deemed necessary to prevent pest infiltration. The Unit Owner is responsible for any clean up in the unit that may be necessary from the animal(s).
- 4) In the case of bats in a Birches Unit, the cost to remove the bats and seal the holes will be shared 50-50 between the Association and the Unit Owner since the exterminator must remove the bats and seal the holes at the same time to properly ensure the bats will not return. The Association will choose the exterminator that is selected and will let the Unit Owner know the cost prior to the work being done. The Unit Owner is responsible for any clean up in the unit that may be necessary from the bat(s).
- 5) In the case of potential carpenter ant and/or termite infestation, given the danger they pose to the structure of a building, the Association will pay for any inspection to confirm their presence in all villages including the Birches. In the five villages other than the Birches, the Association will be responsible for their removal if they are detected. In the Birches, the damage caused by carpenter ants or termites could be to areas that both the Association and the unit owner are responsible to maintain. Therefore, the Association will pay for the inspection but any exterminating costs or repair of damage caused by termites or carpenter ants will be shared 50-50 between the Association and the unit owner.

Sterling Woods Master Association, Inc.

Flag Display Policy

Background

- 1) The Freedom to Display the American Flag Act of 2005 states a condo association cannot prevent the display of the American flag in an exclusive use area but does allow for reasonable rules governing the display – time, place, size, number, and manner.
- 2) CIOA states a condo association cannot prevent the display of the flag in a unit or limited common area but can establish reasonable rules.

Sterling Woods II Guidelines confirmed at the October 2010 meeting

- 1) Window display of the flag is allowed per rule 2.4.

Policy on Assistance Animals

The Executive Board of Sterling Woods Master Association, Inc. (the “Master Association”), on March 17, 2021, hereby adopts a policy with respect to assistance animals, as provided below.

RECITALS

- A. WHEREAS, Connecticut law, *Conn. Gen. Stat.* Section 46a-64c and 46a-81e, prohibits housing discrimination, including discrimination against those with physical, mental, or learning disabilities;
- B. WHEREAS, the federal Fair Housing Act, 42 U.S.C. Section 3601 *et seq.*, prohibits discrimination in housing accommodations against those who use assistance animals and provides that those who use such animals must be allowed full and equal access to all housing facilities, including units in common interest communities;
- C. WHEREAS, the Master Association is committed to providing an inclusive and welcoming environment for all unit owners, residents, and guests and ensuring compliance with state and federal housing laws; and
- D. NOW, THEREFORE, the Master Association’s Executive Board adopts the following policy in furtherance thereof.

POLICY

- 1. A person with a disability may request permission to have an assistance animal in their unit. To qualify for such permission, the person must have a disability and must have a disability-related need for the animal. An individual with a disability is typically defined as someone who (1) has a physical or mental impairment that substantially limits one or more major life activities, (2) has a record of such an impairment, or (3) is perceived by others as having such an impairment. A disability is more specifically defined in 24 C.F.R. § 100.201.
- 2. An assistance animal is an animal that works, provides assistance, or performs tasks for the benefit of a person with a disability, or that provides emotional support that alleviates one or more identified effects of a person’s disability. An assistance animal is not a pet.
- 3. In particular, there are two types of assistance animals: 1) service animals, and 2) other trained or untrained animals that do work, perform tasks, provide assistance, and/or provide therapeutic emotional support for individuals with disabilities.
- 4. Under the American With Disabilities Act, “service animal means any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. The work or tasks performed by a service animal must be directly related to the individual's disability.” 28 C.F.R. §§ 35.104; 36.104
- 5. While service animals must be dogs that are individually trained to do work or perform tasks for individuals with disabilities, other animals that do work, perform tasks, provide

assistance, and/or provide therapeutic emotional support for individuals with disabilities, may be animals commonly kept in households. If the unit owner or resident is requesting to keep a unique type of animal that is not commonly kept in households, the unit owner or resident must demonstrate a disability-related therapeutic need for the specific animal or the specific type of animal. In that case, the unit owner or resident is encouraged to submit documentation from a health care professional confirming the need for this animal.

6. Any request to have an assistance animal shall be made to the Executive Board. Written requests may be made to the Executive Board c/o REI Property and Asset Management, Inc., via email: kmurray@rei-pm.net, or via mail: Sterling Woods Master Association, Inc. c/o REI Property and Asset Management, Inc., 2A Ives Street, Danbury, CT 06810.
7. The Master Association may ask for a medical note from a treating physician, optometrist, psychiatrist, psychologist, social worker, physician's assistant, nurse practitioner, nurse or other health care professional certifying that the animal provides support that alleviates one or more of the identified symptoms or effects of an existing disability when such disability or disability-related need is not obvious or known to the Master Association. Such documentation is sufficient if it establishes that an individual has a disability and that the animal in question will provide some type of disability-related assistance or emotional support. The documentation need not state the nature or the extent of the individual's disability or such individual's diagnosis. The Master Association may not ask for access to an individual's medical records.
8. The Executive Board shall keep information relating to an individual's disability and health conditions confidential and shall not share it with other persons unless the information is needed for evaluating whether to grant or deny a reasonable accommodation request or unless disclosure is required by law. Unless otherwise agreed upon between the Executive Board and the requestor, accommodation requests shall be considered in executive session; however, pursuant to the Common Interest Ownership Act, voting to grant or deny a request shall occur in open session and the results shall be recorded in the meeting minutes.
9. The Master Association shall not charge a unit owner or resident a fee, a deposit or any other amount to have an assistance animal, or place any other special conditions or requirements as a condition of having an assistance animal. Additionally, the Master Association shall not charge a fee for processing a reasonable accommodation request.
10. The Executive Board shall promptly respond to a request for an assistance animal. When there is uncertainty with respect to the response, the Executive Board shall consult with counsel.
11. The Master Association may refuse a reasonable accommodation for an assistance animal if (a) the Executive Board determines that the requestor does not have a disability, or does not have a disability-related need for the animal; (b) if the request would impose a fundamental alteration to the nature of the Master Association's operations or impose an undue financial and administrative burden; or (c) if the specific animal poses a direct threat that cannot be eliminated or reduced to an acceptable level through actions the individual takes to maintain or control the animals.
12. Before denying a request for an assistance animal, the Master Association should engage in a good-faith dialogue with the requestor. If a request is denied because it would impose a fundamental alteration to the nature of the Master Association's operations or impose an

undue financial and administrative burden, the Master Association should engage in a dialogue with the requestor to discuss whether an alternative accommodation may be effective in meeting the individual's disability-related needs.

13. A person with a disability is responsible for controlling their assistance animal and ensuring that the animal does not create a nuisance or pose a direct threat to person or property. The person with a disability is also responsible for ensuring that their assistance animal's waste is picked up and properly discarded in accordance with the Master Association's Rules. Any such violations shall be handled in accordance with the Association's Declaration, Bylaws, and Rules, and in accordance with applicable law.
14. The Executive Board's failure to adhere to this policy does not necessarily constitute a violation of any state or federal laws. The purpose of this policy is to provide recommendations and guidance to the Executive Board as to how best to respond to requests for assistance animals.
